In the event an employee on leave under this Article takes a new job or starts a business, their employment with the City of Port Moody will be terminated for cause. However, an employee who has a second job, or operates their own business prior to taking the leave, and does not work additional hours in the second job or in the business as a result of taking the leave, will not be terminated for cause for the sole reason that the employee continues to work at the other job or continues to operate their own business.

(b) Benefit Coverage

Where an employee(s) has been granted a Long Leave by the Employer and has made arrangements to pay both their share and the Employer's share of the benefit premiums (Medical Services Plan, Extended Health, Dental, Group Life Insurance, and Accidental Death and Dismemberment) and the benefit carrier agrees to continue coverage for the employee during the time the employee is on leave, the Employer shall make arrangements to continue the coverage for the period of the leave.

Section 3: Trial Period Upon Promotion or Transfer

In the event an employee is promoted or transferred to a higher-rated position, the employee shall be considered to be on probation for a period of not more than ninety (90) working days. (b) Arbitration

The parties shall use a single Arbitrator unless both parties agree to use a three (3) member Arbitration Board.

Where the parties use a single Arbitrator, the Arbitrator shall be mutually agreed to and appointed within fourteen (14) calendar days of the date the matter was referred to Arbitration. If the parties fail to mutually agree to the single Arbitrator within the fourteen (14) calendar day period, the appointment shall be made by the Director, Collective Agreement Arbitration Bureau upon the written request of either party.

The Employer shall grant permission for such absence from the job and shall not unnecessarily delay substitution when required.

It is agreed that it is not the purpose of this provision to give Stewards and Officers of the Union the right to leave their jobs for purposes other than the investigation of specific grievances.

ARTICLE 21 - JOB EVALUATION

Section 1: Job Evaluation - Wage Protection

The parties agree that no employee will have their wages reduced. Employees who are red-circled will continue to receive negotiated wage increases.

Section 2: Standing Joint Job Evaluation Committee

The Standing Joint Job Evaluation Committee (JJEC) shall have equal representation and participation from the parties, consisting of two (2) representatives from the Employer and two (2) representatives from CUPE Local 825. Each party may appoint alternate representatives to serve as replacements for absent representatives. All decisions and job evaluations made by the Committee shall be made with a minimum quorum of one (1) Employer and one (1) CUPE Local 825 representative.

- (d) Within eighteen (18) months from the employee being appointed to the job, the incumbent and the supervisor shall complete a Job Analysis Questionnaire. The questionnaire shall be submitted along with the draft job description to the Standing Committee. The Standing Committee shall finalize the job description and rate the job according to the Job Evaluation Plan.
- (e) If the pay grade increases as a result of the review, such increase shall be retroactive to three (3) months from the date of hire of the incumbent; if the pay grade decreases as a result of the review, the incumbent shall receive full red-circling protection for the duration of their tenure in the job.
- (f) If a questionnaire is not submitted to the Standing Committee within eighteen (18) months of the date of hire of incumbent, the temporary pay grade will be confirmed as the established pay grade for the job.

Section 4: Job Evaluation for Changed Jobs

Whenever the Employer changes the job or the employee, or the Union feel the duties of the job have been changed, or the job description does not reflect the duties and responsibilities of the job the following steps shall take place:

- (a) The incumbent/union or supervisor may request a job evaluation review by completing and submitting a Job Evaluation Request form to the Standing Committee.

- (b) The Standing Committee shall gather accurate, up to date information on the job. The incumbent and supervisor shall complete an up-to-date Job Analysis Questionnaire. Where further information is required, interviews may be held with the incumbent and supervisor and a visit to the workplace. Based on this information, the Committee shall update the job description as necessary.
- (c) The Committee shall rate each factor of the job to establish a new rating for the job and advise the incumbent and the supervisor of its decision. The rating of the job shall determine the pay level for the job.

When an evaluation of an existing job results in a revised pay band, the new rate of pay will be effective thirty (30) calendar days following the submission of the questionnaire by the incumbent of the position or the date the General Manager signs off on the questionnaire, whichever occurs earlier.

Section 5: Appeal Procedure

If either the employee/Union or supervisor do not agree with the decision of the JJEC the following procedure shall apply:

- (a) within sixty (60) days of the committee decision, the incumbent/Union or supervisor may request reconsideration of the job description and or the job rating by completing and submitting an appeal form stating reason for disagreeing with the job description and or rating;
- (b) the incumbent(s) and the supervisor may make a presentation to the committee;
- (c) the JJEC shall consider the reconsideration request and make a decision which shall be final and binding upon the parties and all employees affected;
- (d) The JJEC shall inform both the incumbent and the supervisor of its decision in writing.
- (e) If the appeal committee cannot reach agreement, the matter can be referred to the Union President and the Director of Human Resources. Matters that cannot be resolved between the Union President and the Director of Human Resources shall be referred to the City Manager for review.

Section 6: Settlement of Disagreements within the JJEC

- (a) In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the Joint Job Evaluation Program, the Co-chairperson of the Committee shall request with ten (10) working days, that each party designate an advisor to meet with the Committee and attempt to assist reaching a decision.
- (b) If after meeting with the two (2) advisors the Committee remains unable to agree upon the matter in dispute, the co-chair person shall advise in writing the Union and the Employer of this fact within fifteen (15) working days.

- (c) Either party may, by written notice to the other party, refer the dispute to a single arbitrator who shall be selected by agreement of the parties. If the parties are unable to agree, either party may request the BC Labour Board to appoint an arbitrator.
- (d) The arbitrator shall then decide the matter upon which the JJEC has been unable to agree and their decision shall be final and binding on the JJEC, the Employer, the Union and all affected employees. The arbitrator shall be bound by these terms of Reference and the Job Evaluation Plan and shall not have the power to modify or amend any of their provisions. The jurisdiction of the arbitrator shall be limited to the matter in dispute, as submitted by the parties.
- (e) The Employer and the Union shall be the parties to the arbitration hearing and shall have the right to present evidence and arguments concerning the matter in dispute. The arbitrator shall have the authority to require the parties to present additional information and to require other person(s) to present evidence, as deemed necessary by the arbitrator.
- (f) The arbitrator's fees and expenses shall be divided equally between the parties.
- (g) The time lines contained in this Article may be extended by mutual agreement of the parties.

Section 7: Market Adjustment

Effective 2023 November 28:

From time to time, the Employer may require the flexibility to adjust the rate for specific positions in accordance with market pressures. Where a position has been identified by the Employer as being behind market and/or such a position has been difficult to recruit for or retain employees in, The Employer may increase the rate of pay for the position.

- (a) the adjustment in the rate of pay will be temporary and will be reviewed annually;
- (b) if the position is found to be above market as a result of the annual review, the rate of pay will return to the original job evaluation amount;
- (c) the adjustment is for the position rather than a specific incumbent and will apply to existing incumbents, not just the new hires recruited under the temporary rate of pay;
- (d) all other conditions, such as negotiated increases, will continue to apply.

ARTICLE 22 - TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Collective Agreement.

- (b) alters significantly the basis upon which the Collective Agreement was negotiated, either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board pursuant to Article 20 of this Collective Agreement, by-passing all other steps in the grievance procedure.

The Arbitration Board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change the Arbitration Board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
 - (i) that the change be made in accordance with the terms of the Collective Agreement unless the change alters significantly the basis upon which the Collective Agreement was negotiated;

SCHEDULE "C"EMPLOYMENT STANDARDS ACT PRINCIPLES

Effective 1984 July 09 the parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

- (1) That, except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work between each week. Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (2) That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
- (3) The eating period provided under the "Hours of Work" provision of the Agreement shall be scheduled so as to prevent an employee from working more than five (5) consecutive hours without an eating period. Regular Part-Time, Temporary Part-Time and Auxiliary employees shall not work more than five (5) consecutive hours without an unpaid eating period.

SCHEDULE "D"MEMORANDUM OF AGREEMENTRE: REFINEMENTS IN THE OPERATION OF REFUSE COLLECTION SERVICES

THIS AGREEMENT made and entered into 1982, amended in 1988 and amended in 1990

BETWEEN: THE CITY OF PORT MOODY
(hereinafter called the "City")

AND: THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 825
(hereinafter called the "Union")

WHEREAS the City and the Union desire that the refuse collection services be conducted in the most efficient and economical manner possible;

AND WHEREAS they wish to cooperate in the development of a practical operational plan that is acceptable to both parties;

AND WHEREAS it has been decided that a task system approach be introduced to meet the aforementioned objectives;

AND WHEREAS the Collective Agreements between the parties do not provide for this system;

THEREFORE, the undersigned bargaining representatives acting on behalf of the City and the undersigned bargaining representatives acting on behalf of the Union agree to recommend to the City Council and to the Union membership respectively that the 1981-1982 Collective Agreement shall be amended effective the date of ratification by the parties, by the addition of this Memorandum of Agreement as a Schedule appended to and forming a part of the said Collective Agreement in the following terms:

1. The term of this Agreement shall run with that of the Collective Agreement.
2. All of the provisions of the Collective Agreement shall apply except as specifically varied by the terms of this Memorandum.
3. Notwithstanding paragraph 1, where the City determines that the recycling aspect of refuse collection services is not working up to its expectations under this Memorandum, that portion of the refuse collection may with thirty (30) days' notice by the City be exempted from the provisions of this Memorandum.
4. A Task System shall be instituted in the Refuse Collection Service. An employee engaged in this service will be a member of a group of employees which is assigned a daily work schedule and will work each day until the group task is completed.

Otherwise stated, the group shall work a flexible work day from Monday to Friday inclusive, the length of the work day being determined by the time required to complete pick-up, sorting, and disposal required on the particular route assigned.

5. The zones, routes and work schedules referred to in Paragraph 4 shall be determined by the City from time to time, and shall be communicated by the City to the Union.
6. Subject to the exceptions listed in Paragraph 7 and 8 herein, the employees engaged in driving and swamping tasks covered by the Task System referred to in Paragraph 4 shall be classified as Truck Driver/Swamper.
7. The City and Union realize the possibility that at various times, e.g. prime vacation time or abnormal sick leave incidence, there may result a shortage of qualified replacements for the employees normally engaged as Truck Driver/Swamper. In this case, the City will assign work and man the vehicles in accordance with the existing class specifications for Sanitation Truck Driver and Swamper.
8. All employees engaged in Task System operations shall be paid for forty (40) hours each week at their respective classified rates without any payment for hours worked in excess of eight (8) in a day or forty (40) in a week, and without penalty for hours worked less than eight (8) in a day or forty (40) in a week. However, if any employee works in excess of one hundred and sixty (160) hours during the course of two (2) successive bi-weekly pay periods, overtime shall be paid at time and one-half for the first sixteen (16) hours in excess of one hundred and sixty (160) hours and double time thereafter, but neither of such bi-weekly pay periods may be taken into account subsequently for the purposes of computing overtime.
9. Shift differential shall only be paid when the majority of the time worked falls between the hours of 16:30h and 8:00h, and then the shift differential shall apply to the entire shift.
10. Notwithstanding the provisions for payment of overtime contained in Paragraph 8, overtime payments will be made pursuant to the provisions of the Collective Agreement in specific cases for exceptional reasons not related to the operation of the Task System.
11. Annual vacations, statutory holidays, authorized leaves of absence and sick leave transactions for employees engaged in the Task System operation shall assume an eight (8) hour work day and forty (40) hour work week and shall utilize each employee's classified rate of pay, subject to Article 11 of the Collective Agreement.
12. Overtime payments made pursuant to Paragraph 8 and shift differential payments made pursuant to Paragraph 9 shall be based upon an employee's classified rate of pay.
13. In the event that a problem occurs that is not provided for by this Agreement, it shall be resolved by the parties hereto and the Agreement shall be amended to the extent necessary to resolve the problem. Changes to this Agreement may be required as a result of changes in the hours of work and overtime provisions contained in the Collective Agreement and therefore, amendments to this Agreement may be made by mutual consent.

14. Item 8 (Productivity Premium) contained in Addendum II of the 1988-1990 Collective Agreement shall continue to apply to

10 HOUR SHIFT - PARKS AND RECREATION

The Employer and the Union agree to implement a ten (10) hour day, four (4) day work week for the classes of "Lead Hand Maintenance, Maintenance Worker I, II, III and Physical Plant & Building Operator" in accordance with the following provisions:

1. Hours of Work

- (a) The employees shall work a ten (10) hour day, four (4) day work week, exclusive of an unpaid meal period. Employees shall have a minimum of twelve (12) hours between shifts.
- (b) Shift schedules will be determined by operational experience and requirements necessary to operate on a twenty-four (24) hour, seven (7) day a week basis. Shift differential shall be paid as per the Collective Agreement.

2. Seasonal Shift Change

During the "summer period" (generally the period when the ice is removed from the Arena) the Employer may:

- (a) temporarily transfer some or all of the employees to Parks maintenance duties, with the employees reverting back to the regular eight (8) hour day, five (5) day work week;
- (b) retain some employees in the Arena working on either the ten (10) hour day, four (4) day work week or an eight (8) hour day, five (5) day work week.

3. Conversion from the 8-Hour, 5-day Work Week

- (a) It is expressly agreed that the adjustment from the eight (8) hour day, five (5) day work week to the ten (10) hour day, four (4) day work week shall be made in accordance with

the principle that there shall be no additional salary or benefit cost to the Employer and no reduction in the salaries or benefits received by the employees.

- (b) Where the Collective Agreement refers to an eight (8) hour shift or five (5) day week, it is agreed that a ten (10) hour shift or four (4) day week will be substituted. For example, the overtime provision would apply after ten (10) hours rather than eight (8) hours.
- (c) The various leave provisions of the Collective Agreement, such as vacations, general holidays, and sick leave, will be based on the annual hourly equivalents (e.g., eighty-eight (88) hours or eleven (11) x eight (8) hours' general holidays, eighteen (18) x eight (8) hours' sick leave).
- (d) In order to maintain the principle of no loss or no gain for either party, each employee will be required to supply two (2) hours of accumulated overtime to supplement the eight (8) hours paid for each general holiday that occurs while the employee is on the ten (10) hour, four (4) day work week. Should the employee not have the necessary accumulated overtime then the pay for that day will be eight (8) hours plus whatever amount of accumulated overtime the employee may have.
- (e) Where a matter arises that is not covered by section 3 of this Letter of Understanding it shall be resolved by reference to the principle set out in paragraph (a) above.

4. Cancellation

The Employer may cancel this Letter of Understanding at any time upon thirty (30) days' written notice to the Union.

HOURS OF WORK

Where the Employer wishes to change the hours of work (which includes work week), of an employee or a position, in a manner not already provided for within the terms of the Collective Agreement or as otherwise agreed by the parties, the following shall apply:

1. The Employer shall provide the Union with no less than thirty (30) calendar days' written notice of the intended change, the names of the position(s) and incumbent(s) impacted, the reason(s) for the change and duration, and provide an opportunity to meet within the thirty (30) days of the Union receiving the written notification in order to discuss the proposed change(s).
2. The Union will provide a written response within thirty (30) calendar days of the meeting which shall include primary reasons for withholding their consent.
3. Where there is no mutual agreement, the matter may be referred within twenty (20) calendar days of receiving the Union's response to an Hours of Work Umpire who shall convene a hearing for a final and binding decision at any time, but no later than twenty (20) calendar days from the date the Employer referred the matter to the Umpire. No change to the hours of work shall be implemented until such time as the Umpire has reached a decision and notified both parties in writing. It shall be the Employer's responsibility for establishing the rationale for the change in hours of work.
4. The cost of the Umpire, the cost of meeting room, and leave without loss of pay for up to three (3) employees to attend the hearing shall be borne by the Employer.
5. The Hours of Work Umpire shall evaluate whether the Union has been unreasonable in denying the Employer's request after considering the Employer's rationale for the proposal, the impact on the personal and family needs of any affected incumbent(s), and the Union's rationale for denying the request.
6. Decisions of the Umpire shall not be precedent setting and shall be made within fourteen (14) calendar days of the matter being heard.

7. The Hours of Work Umpire shall be mutually agreed to by both parties. Should the Employer and the Union fail to agree on the selection, the appointment shall be made by the Director, Collective Agreement Arbitration Bureau upon written request.
8. Employees who are affected by an hours of work change under this Letter of Understanding shall be offered the amended work shifts on the basis of seniority (high to low) provided they are qualified to perform the work. In the event there are insufficient employees who agree to accept the work shifts, the Employer shall assign the work in reverse order of seniority (low to high) to employees qualified to perform the work.
9. The parties agree that the Shift Premium provision applies seven (7) days a week.
10. The Employer and the Union agree that procedures under this Letter of Understanding do not relate to a "difference" within the meaning of Section 104(1) of the Labour Relations Code.

LAYOFF AND RECALL

Nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement:

Definition

A layoff shall be defined as a reduction in the work force for a variety of reasons (including declaring the position redundant) or a reduction in the regular hours of work as defined in this Agreement.

Guidelines

1. In the event of a layoff within a classification, where the skill, knowledge and ability of employees in the classification concerned are equal, employees shall be laid off in the reverse order of their seniority.
2. Employees who are subject to a layoff may exercise their seniority by displacing (bumping) employees with less seniority, in another classification, where, in the opinion of the Employer, the skill, knowledge and ability of the employees is equal. Any employee who exhausts or fails to exercise bumping privileges shall be considered laid off. Employees who are completing their initial probationary period shall have no seniority and if they are displaced pursuant to this Clause they shall be laid off. Employees must exercise their rights under the pertinent Clauses of the relevant collective agreement no later than ten (10) days following the receipt of notice of layoff given pursuant to the pertinent Clauses of the relevant Collective Agreement.
3. An employee shall advise the Employer of their intention to bump within five (5) working days of receipt of notice of layoff.

An employee who is bumped shall be able to bump an employee with less seniority, in another classification, where, in the opinion of the Employer, the skill, knowledge and ability of the employees is equal.

- (a) Employees shall be recalled to the position from which they were laid off in the order of their seniority, providing they have the necessary ability, knowledge and skill to perform the work.
 - (b) A laid off employee may apply for a posted position.
5. Employees who are recalled and who fail to return to work within seven (7) calendar days after being notified by registered mail to do so, shall be considered out of the service and shall forfeit all seniority rights, unless through sickness or any other just cause agreed upon by the Employer and the Union. It shall be the responsibility of the employee to keep the Employer informed of their current address.
 6. In the event of layoffs, the Employer agrees that it will offer employment to employees affected by layoffs, prior to engaging any new employees for similar work, providing they have upheld any necessary certifications. Where an employee is recalled within the time limit specified, he/she shall be credited with previous service in connection with seniority, this determining length of service in connection with vacations and other benefits based on length of service.
 7. In the event of an emergency, the Employer may recall a laid off employee for a period of less than two (2) weeks, provided the employee is available and is informed at the time of the recall that this is an emergency situation and that layoff notice is waived. In no case shall an employee be so informed if the Employer is aware that the employee shall be required to work for a period in excess of two (2) weeks.
